Christmas Play

Singing and rehearsing is now moving on apace. As I mentioned previously costumes are next on the agenda. Having spoken to the teachers I am reliably informed that all the girls are angels and need to be dressed accordingly! Miss Wogan's boys all aspire to be Kings and Mr Clark's boys are all busy looking after sheep so we need you to "create" or "purchase" a suitable costume for your little one. Please try to organise it as soon as you can by **Friday 12th December** at the latest. The part of Mary will be played by Amelia Allaway, Joseph by Isaac Talarico and the Angel Gabriel by Aimee Carrington.

Also to confirm that all the children are involved in both performances.

Pantomime

Many thanks to those of you who offered to help at the pantomime on 10th December – 8 were chosen, from the long list, by drawing names out of a hat (well technically it was a box!). On the day of the pantomime, those parents who have been told they are joining us need to meet me at 8.30am in our multi-purpose room. I will brief you on the visit and what you need to do, it is vital that you are there so you are clear about your role.

Flooded pathway

As you may have noticed our Reception pathway floods in extremely bad rain. The original project manager has been contacted and will be contacting the contractors to investigate the drainage.

Final day of term

Year 7 and 8 traditionally finish school at lunchtime on the last day of term.

Reception class will not be finishing early – we will operate normally on Friday 19th December and on subsequent final days. We will finish school at 2.45 pm and After School Club will operate as normal. If you usually attend After School Club but plan to pick up your child at the end of the school day instead, please inform the After School staff so they are aware in plenty of time.

Parent/Carer Consultation

It was brilliant to see so many of you attending our first parent consultation meetings. So far we have had 96% attendance with the final 4% needing to arrange late meetings due to illness. A great start to our Home/School partnership – Thank you.

Illness

I do need to remind you all that if your child is ill and not coming to school you must ring the office in the morning on 01202 427291. If your child has been sick they must **NOT** return to school for 48 hours after their last bout of sickness. This is designed to prevent any spread of illness.

Lunch Menus

Please find the next lunch menus attached. As usual please complete as soon as possible and return to school Christmas lunch on this one (I am so excited!!)
